//POPUP ON SUBMIT ERROR//
You must submit a 2, 4, 8 or 16 players only. You have only submitted 3

Submit list and proceed to tournament tree

**POPUP NOTE: only appears on error if total number of players submitted is not divisible by 4.
max number is 16, minimum of 2**

Logo and application name TBC

Ping pong themed images

Total number of submitted teams/players must be divisable by 4 with a max of 16 entrants and minimum of 2.
All teams from list randomly paired into the tree of relevant round.
a) If 8 teams submiited, round of 16 is bypassed and 1/4 finals are populated.
b) if 4 teams submitted, 16th round and 1/4 are bypassed to semi finals
c) if only 2 teams submitted, they are bypassed into final.

1. Teams are randomised

User inputs score into empty number field

Highest score from each game is highlighted and team with highest number is submitted to next round

Team/player names cannot be altered. Data is taken from submitted list on previous page
